

## Robert Muilenburg

Longtime farmer Robert Muilenburg of Freeborn County, Minnesota enrolled 145 acres in the Minnesota Conservation Reserve Enhancement Program (MN CREP). His MN CREP easement is adjacent to Geneva Lake and will restore a large wetland basin prone to flooding, as well as provide for wildlife.

“We like to take friends and family out and show them the easements. They really enjoy seeing the habitat,” Muilenburg said.

Contact your local Soil and Water Conservation District to learn more and sign up today.
